### 2.2.

The applicability of any general terms and conditions of the Organiser is expressly excluded, unless explicitly agreed in writing by WeeZtix.

### 2.3.

These general terms and conditions also apply to anyone employed by Weeztix, anyone engaged by Weeztix and anyone for whose acts or omissions Weeztix is or may be liable.

### 2.4.

Should any provision in these general terms and conditions be void or otherwise unenforceable, this shall not affect the validity of the remaining provisions of these general terms and conditions and/or the Agreement between Weeztix and the Organiser, and Weeztix and the Organiser shall consult to agree on a new provision to replace the void/annulled or unenforceable provision, with the parties observing as far as possible the purpose and intent of the void/annulled or unenforceable provision.

### 2.5.

Weeztix is entitled to unilaterally amend these general terms and conditions. In the event of an amendment to the general terms and conditions, Weeztix shall notify the Organiser accordingly in writing. The Organiser agrees to these changes in advance, so that the amended general terms and conditions will apply to all Services provided by Weeztix after notification of the amended general terms and conditions.

## 3. Pre-contractual stage and Agreement

### 3.1.

Offers and quotations are at all times without non-binding obligation, unless explicitly stated otherwise in the offer. If the offer is not accepted within the period for acceptance of 30 days (period of validity of the offer), the offer as contained in the offer is considered rejected, and Weeztix is entitled to change the conditions and price as contained in the offer.

### 3.2.

Agreements, however named, shall not come into effect until Weeztix has expressly accepted them in writing, whereby Weeztix is legally represented by an authorised representative, or after Weeztix has commenced performance. Quotations are based on the information and specifications provided by or on behalf of the Organiser. The Organiser guarantees the accuracy, completeness and reliability of the information provided by it. An acceptance that differs in any way from the offer or quotation shall be deemed as a new offer and as a rejection of the original.

### 3.3.

A quotation shall include a general description of the order in outline form including a financial section and in which an offer is made with a validity period of 30 days, unless otherwise agreed in writing. Offers with a term of acceptance are revocable.

### 3.4.

Descriptions and images of WeeZtix' Services, price lists, brochures, quotations and other information concerning WeeZtix' Services are as accurate as possible, but without obligation, unless the offer expressly states otherwise.

## 4. The Services and Platform

### 4.1.

The Services offered by WeeZtix include using the Platform to ensure that (e)Tickets for an event organised by the Organiser can be offered by WeeZtix on behalf of the Organiser to Users through the Platform as well as the offering of certain additional products. Unless and to the extent that specific agreements have been made between the Parties regarding a particular result described with sufficient definiteness in writing in the Agreement, WeeZtix only has a best-efforts obligation with respect to all Services.

### 4.2.

WeeZtix shall provide the Organiser with access to the Platform. The Organiser shall be responsible for checking any and all information posted on the Platform, and WeeZtix shall never be liable towards the Organiser for any errors in information posted on the Platform with respect to (e)Ticket(s) or an event organised by the Organiser.

### 4.3.

The (e)Ticket(s) are bought and sold via the Platform where the User acts as buyer and WeeZtix as seller of the (e)Ticket(s), all in accordance with the Ticket Terms and Conditions. WeeZtix' only obligation under the Agreement is enabling the User to purchase an (e)Ticket to the event of the organiser. WeeZtix shall in no way be liable to the User and/or the organiser for any damages related to the event organized by the organiser.

### 4.4.

The Organiser shall provide all information and materials reasonably necessary for WeeZtix to provide in connection with the performance of the Agreement, including but not limited to information on events for which the Organiser expects a peak in sales, to provide WeeZtix with sufficient time to take appropriate measures to deal with such peak sales technically. The Organiser is obligated to provide all necessary and reasonable assistance to WeeZtix with respect to the performance of the Agreement.

### 4.5.

The Organiser represents and warrants that all information and materials provided are true, complete, accurate and current and will promptly notify WeeZtix if information or materials do not possess the aforementioned qualities. The Organiser guarantees the accuracy, completeness and reliability of the data and records made available to WeeZtix, even if they are from third parties, and declares that they are lawfully in their possession.

#### 4.6.

WeeZtix will provide Organisers and Users with remote access to the Platform and Services via the Internet or other similar and applicable networks.

#### 4.7.

Use of the Platform by the Organiser and Users must be in accordance with the relevant regulations and procedures set forth by WeeZtix, including these general terms and conditions, at all times.

#### 4.8.

WeeZtix reserves the right to create a maximum of two (2) (e)Tickets free of charge for the relevant event to check the activities, provided that the maximum number of (e)Tickets available for such event are not exceeded with this.

## 5. Payment Services and Identity Verification

### 5.1.

WeeZtix utilizes various Payment Service Providers (PSPs) for payment processing, including but not limited to Adyen, Stripe, and Pay.nl. WeeZtix reserves the right to determine which PSP is used for a specific event and/or region. By using the Platform, the Organiser agrees to the terms of use of the applicable PSP (such as the Adyen Terms for Platforms, the Stripe Connected Account Agreement, or the Pay.nl Service Agreement) and authorizes the PSP to act as its agent solely for the limited purpose of receiving and processing payments.

To safeguard the financial integrity of the platform, the PSP employs a system of continuous risk monitoring.

5.1.1 The Organizer acknowledges that risk measures (such as adjusting reserves or payout terms) are applied dynamically based on transaction data. Changes take effect immediately without prior notice.

5.1.2 The specific thresholds for chargebacks or refunds that trigger risk actions are not made public to prevent abuse of the security systems.

5.1.3 If the PSP has indications that the Organizer's financial risk has increased, the Organizer must provide all reasonably requested financial information (such as annual financial statements) within ten (10) business days following a request from WeeZtix. Failure to provide this information in a timely manner may lead to the immediate suspension of payouts or termination of services.

5.1.4 The Organizer is not permitted to internally transfer funds between different accounts or entities via the PSP's systems without prior consent.

### 5.2.

When WeeZtix utilizes a Payment Service Provider (PSP) that maintains a "Phased Onboarding" model (specifically Adyen), the following conditions apply:

5.2.1 After creating a WeeZtix account, the Organizer may, in principle, begin using the Services. However, WeeZtix and the PSP reserve the right to suspend the start of card processing until a complete "upfront verification" has been successfully finished.

5.2.2 The ability to receive payouts of funds processed by Adyen (or similar PSPs) is strictly dependent on the successful completion of KYC (Know Your Customer) checks. The Organizer must provide all information requested by Weeztix or the PSP to verify their identity and/or business entity ("KYC Requirements").

5.2.3 For PSPs such as Adyen, verification requirements may be phased ("partial" or "full") based on transaction volume and payout value.

### 5.3.

If the Organizer has not completed the KYC Requirements mandated by the specific PSP, Weeztix and the PSP reserve the right to withhold payouts. Funds will remain safely held in the Organizer's balance but cannot be withdrawn until the onboarding process is fully completed.

### 5.4.

The Organizer guarantees that all information provided for onboarding (including beneficiary owner details and bank information) is accurate and up-to-date. Failure to provide necessary documentation or to pass a PSP's verification check may result in the suspension of payouts or the termination of the Services.

## 6. Warranty

### 6.1.

Weeztix assumes responsibility for providing Services and/or a Platform in accordance with the Agreement, all in accordance with good practice standards in the relevant industry and using at least reasonable efforts by Weeztix. Weeztix warrants to exercise the degree of skill and care reasonably expected of a reputable, competent and reasonably experienced party engaged in such activities. Weeztix does not warrant uninterrupted availability of the Service and/or the Platform.

### 6.2.

Weeztix may temporarily take the Service and/or the Platform or any part thereof out of service for the purpose of (planned and unplanned) maintenance, modification or improvement thereof. Weeztix may, from time to time, modify the functionalities of the Service and/or the Platform.

### 6.3.

Both parties will use their best efforts to meet timelines and deliverables set forth in the Agreement. Should there be any delay in plans, both parties will notify each other and set new target dates for Weeztix's performance and obligations and any dates or deadlines are subject to correct and timely delivery, fulfilment and execution of obligations and cooperative acts of the Organizer.

#### 6.4.

Except as expressly set forth in the Agreement, Weeztix makes no warranty, express or implied, of any kind, including but not limited to any warranty as to merchantability or fitness for a particular purpose, a warranty against infringement of intellectual property rights of a third party, whether express or implied by statute (conformance), course of dealing, method of performance, course of dealing or otherwise. The Organiser confirms that in entering into the Agreement, it has not relied on any warranty from Weeztix other than the warranty expressly set forth in the Agreement, and the Organiser has taken into account the absence of any other warranty in entering into the Agreement.

## 7. Payments for (e)Ticket(s) and price

### 7.1.

For the use of the Service, Weeztix shall be entitled to a fee. This fee may consist of the following components:

A fixed or variable amount of Service Costs, that Weeztix charges directly to the User or Organiser (or a combination thereof) on top of the price per (e)Ticket.

The amounts (inclusive of VAT) as stated in the table below apply for sales of (e)Tickets in the respective countries mentioned in the table below;

Country	Service costs
European Union	0,67 EUR
United Kingdom	0,67 GBP

A variable amount of Booking Costs that Weeztix charges directly to the User or Organiser (or a combination thereof). The amounts (inclusive of VAT) as stated in the table below apply to the total transaction amount for sales of (e)Tickets in the respective countries mentioned in the table below. In case of sales of (e)Tickets in countries other than the countries mentioned below, or in case the Organiser wishes to use other payment methods than the payment methods included, the Organiser must always request a quote at Weeztix with respect to the Booking Costs that will apply in that country and/or for that payment method.

Country	Booking costs
Ireland	3.85%
United Kingdom	3.85%
Denmark	2.20%
Sweden	2.20%
Norway	2.20%
The Netherlands	1.80%
Belgium	2.80%

Spain	3.50%
Germany	6.70%
Other	3.85%

A variable amount of Transaction Costs that Weeztix charges directly to the User or Organiser (or a combination thereof). The amounts (inclusive of VAT) as stated in the table below apply to the total transaction amount, for sales of (e)Tickets using the payment methods as stated in the table below. There are no transaction costs for payment methods such as iDeal, Sofort, Bancontact, and consumer credit cards. If the Organiser wishes to use other payment methods that are stated in the table below or offer for free, the Organiser must request a quote at Weeztix with respect to the Transaction Costs that will or might apply.

Payment method	Transaction costs
Klarna (Pay Later)	1,50 EUR or GBP + 3,7%
Paypal	0,35 EUR or GBP + 2,1%
Pay on invoice	1,50 EUR or GBP + 5,5%
Corporate credit cards	0,35 EUR or GBP + 3.63%
Non-EER credit cards	0,35 EUR or GBP + 3.63%

## 7.2.

The Organiser can conclude an Agreement with Weeztix in which deviating prices are agreed upon. In such case, the prices in the Agreement subside the prices mentioned in the General Terms and Conditions.

## 7.3.

The Organiser can choose to absorb the Service Costs and Booking Costs in the (e)Ticket price or choose to charge these to the User.

## 7.4.

Weeztix reserves the right to adjust the rates in the interim if there is reason to do so. The Organiser agrees in advance to any reasonable adjustment of the rates.

## 7.5.

The Organiser can – in addition to the sales price of the (e)Ticket(s) and the Service Costs, Booking Costs and any Transaction Costs – charge a surcharge in the shape of a Kickback to the User. The Kickback is including VAT and is collected from the User by Weeztix, together with the (e)Ticket price, Service Costs, Booking Costs and any Transaction costs.

## 7.6.

The payout frequency (e.g., weekly or monthly) chosen by the Organizer is at all times subject to the settlement delay established by the PSP. Weeztix facilitates these payouts by instructing the PSP to disburse the funds (net of applicable fees and reserves) to the bank account designated by the Organizer. All payouts are strictly contingent upon the Organizer's continued compliance with the KYC and onboarding requirements set forth in Article 5.

## 7.7.

The Organizer shall communicate the (e)Ticket prices for the events to Weeztix and post the prices on the Platform. The Organizer, at its sole discretion, has the option to change prices for (e)Tickets on the Platform of Weeztix at any time.

## 7.8.

In the event the amount in the account of the Organizer is not sufficient to settle the fee due by the Organizer to Weeztix, payment of the remaining outstanding fees by the Organizer shall be made without any right to deduction, discount and/or set-off, within the due date specified in the Agreement, or in the absence thereof within 30 days from the invoice date of such remaining outstanding amount. Weeztix cannot execute any refunds to Users if the balance in the Organizer's account is insufficient.

## 7.9.

The Organizer can only object to Weeztix's invoice within 14 days from the invoice date. After the expiry of this period, the Organizer is deemed to agree with the invoice. An objection to an invoice does not suspend the Organizer's payment obligation.

## 7.10.

If the Organizer fails to comply within the time period specified in Article 7.8 and 7.9, the Organizer shall be in default by operation of law without further notice of default of Weeztix being required. From that moment, Weeztix is also entitled to:

- compensation of statutory commercial interest from the day of default up and until the day full payment is received by Weeztix; and
- all extrajudicial and judicial (collection) costs, internal and external, actually incurred by Weeztix – whether as claimant or defendant.

## 7.11.

If and to the extent that the Organizer is in default of payment, as well as in the event of bankruptcy, application for a moratorium and closing down or liquidation of its business, all Weeztix's claims against the Organizer are immediately due and payable.

## 7.12.

7.12.1 Notwithstanding the chosen payout frequency, a minimum of 10% of the (e)Ticket revenues will, by default, only be paid out after the date on which the Event has taken place. This withholding serves to cover potential chargebacks, restitution costs, or other financial obligations of the Organizer.

7.12.2 A probation period of at least thirty (30) days after the first transaction applies to every new Organizer. During this probation period, the PSP maintains a settlement delay of at least five (5) business days (T+5). After the probation period, the PSP aims for a standard settlement term of two (2) business days (T+2). However, the Organizer acknowledges that the PSP retains the authority at all times to unilaterally adjust this term based on the risk profile, the sector, or the ratio of refunds and chargebacks.

7.12.3 Based on continuous risk analyses (based on, among other things, transaction volume, sector risk, and chargeback ratios), the PSP may decide to establish an additional Rolling Reserve or to increase the standard reserve of 10%. Such a reserve will, in any case, be activated when the Organizer's transaction volume exceeds a threshold established by the PSP (for example, €150,000 per month). The percentage and the withholding term of this reserve are dynamic and are determined unilaterally by the PSP.

7.12.4 The PSP and Weeztix reserve the right to extend the payout term of all remaining balances to a maximum of one hundred and eighty (180) days if there is an increased risk of fraud or chargebacks, or when the Organizer stops processing payments via the Platform.

7.12.5 Funds in the Organizer's account may be utilized by the PSP to execute refunds to Users before these funds are paid out to the Organizer.

## 7.13.

In the event Weeztix suspects fraud on the part of the organiser and/or has good reasons to suspect cancellation of an event, Weeztix is entitled to hold a maximum of 100% of the Organiser revenue as received by Weeztix in the account of the organiser, as a reserve. This reserve is held to cover potential chargebacks and associated costs. Weeztix shall transfer this amount to the Organiser ultimately with the next payment due to the Organiser by Weeztix after the event.

## 7.14.

In the event the Organiser decides to cancel an event and refund the costs of the (e)Ticket to the Users after Weeztix has started with the performance of the Services, Weeztix shall not be under any obligation to refund any Service Costs, Booking Costs and/or Transaction Costs.

## 7.15.

For any eTickets provided by the Organiser to resellers, or distributed to partners as part of promotional activities, competitions, or similar giveaways, the Service Costs per eTicket, as specified in Article 6.1 or as stipulated in the Agreement between the Organiser and Weeztix, shall apply.

## 7.16.

If a payout to the Organiser must be made in a currency other than the currency in which the (e)Tickets were sold, or if conversion is necessary for the settlement of the payment transaction, Weeztix is entitled to charge a conversion fee of 2% of the total amount to be converted. The exchange rate will be determined based on the prevailing mid-market rate at that time, with the aforementioned fee of 2% being deducted from the final payout amount.

## 8. Fair use policy

### 8.1.

The Organiser can create (e)Tickets and QR-codes free of charge via the Weeztix Dashboard.

### 8.2.

Weeztix does not charge fees for free (e)Tickets. However, the number of free (e)Tickets per account may not exceed 5,000, and the Organiser shall not be entitled to receive support services, including phone or email support, for both Organiser and User.

### 8.3.

In the event that the Organiser exceeds the limitations set forth in Article 6, the Organiser will be charged 0.20 EUR (excluding VAT) for each (e)Ticket over the limit.

### 8.4.

The Fair Use Policy is designed to prevent excessive use of the features offered by the Platform and to protect both Weeztix and its Organisers from excessive use of server capacity. This policy is intended to limit the risk of Weeztix investing resources in activities for certain Organisers that do not generate a sufficient return on investment.

## 9. Entrance management

### 9.1.

Upon request of the Organiser, Weeztix will make hardware available to the Organiser. The hardware will remain the property of Weeztix and will be returned to Weeztix by the Organiser when the event date has passed. The Organiser shall not make or allow any alterations or modifications to be made to the hardware supplied by Weeztix and shall not attach materials to or on to such hardware. The Organiser is deemed to have received any hardware in good condition and state of repair. The Organiser shall use the hardware carefully and keep the hardware in good condition and state of repair at its own expense, subject to normal wear and tear and ageing. If at the end of the rental period, Weeztix is of the opinion that the hardware is no longer in good condition and/or state of repair, with the exception of normal wear and tear, Weeztix will inform the Organiser thereof and shall restore the hardware to their original state of repair at the Organiser's expense.

### 9.2.

Weeztix provides the scanning software required for the access procedure for an event free of charge. If the Organiser wishes to purchase services from Weeztix with respect to personnel and equipment, the Organiser must give Weeztix written notice thereof, ultimately 14 days before the start of the event. Weeztix is never under the obligation to perform such additional services. In case Weeztix provides services to the Organiser for personnel and equipment, Weeztix shall be entitled to the following service fees:

Personnel costs: EUR 55.00/hour exclusive of VAT and – if applicable - accommodation costs, for an on-site manager; and  
Scanner and Powerbank: EUR 45.00/day exclusive of VAT;  
Point of Sales machine: EUR 60.00/day exclusive of VAT;  
Badge printing: EUR 2.95/badge exclusive of VAT (minimum of 1,000 badges).

### 9.3.

In case Weeztix provides scanners and/or personnel, the Organiser is responsible for facilitating a wireless WIFI network at the entrance.

### 9.4.

Weeztix reserves the right to retain a part of the (e)Ticket revenue of the Organiser, as received in the account of the organiser, as a deposit for the provided material, based on the value of the provided material. This amount will be released within 14 days after all equipment has been returned. In case of damage, loss or theft of equipment, the costs for this will be deducted from the deposit.

## 10. Cancellation Event, Refunds and Chargebacks

### 10.1.

Weeztix offers the Organiser the option to refund sold (e)Tickets to Users. The Organiser can choose to refund (e)Tickets including Service Costs, Booking Costs and/or Transaction Costs. Weeztix however shall never be under any obligation to refund Service Costs or Booking Costs, hence if the Organiser wants to refund Service Costs and/or Booking Costs to the User, the Organiser has to refund these Service Costs, Booking Costs and/or Transaction Costs to Weeztix to enable Weeztix to refund these costs to the User.

### 10.2.

Weeztix charges the Organiser EUR 0,50 (excl. VAT) per (e)Ticket refund. Weeztix will only process the pay-out of the refunds when the costs for the refunds have been paid to Weeztix by the Organiser and/or if the Organiser has a sufficient balance outstanding on the account of the Organiser to be able to pay the refunds (possibly including Kickbacks). In this event, Weeztix shall be entitled to settle the refund from the amount kept in the Organiser's account.

### 10.3.

In case of a chargeback, Weeztix charges an administrative fee of EUR 25.00 (excl. VAT). Weeztix reserves the right to deduct the value of the charged-back ticket and the associated administrative costs from future payouts to the Organizer.

## 11. Ticket sales with seat selection

### 11.1.

In the event of an Event that includes seat selection, the organiser is responsible for drawing in the seating plan in the drawing module offered by WeeZtix.

### 11.2.

WeeZtix offers the Organiser a module to sell (e)Tickets with seat selection. For this additional Service, WeeZtix charges EUR 0.14 (excl. VAT) additional Service Costs per seat booking.

### 11.3.

When the Organiser requests WeeZtix to draw in the seating plan, EUR 45.00 (excl. VAT) per hour will be charged for this. In this case, the Organiser is responsible for providing a complete floor plan of the hall and seating arrangement, including seat numbers.

## 12. Reporting

### 12.1.

At any time during the term of the Agreement, the Organiser has access to information with respect to the volume and status of the number of (e)Tickets sold to Users through the Platform.

### 12.2.

At any time during the term of the Agreement, the Organiser has access to an overview of all transactions between the User and WeeZtix through the Platform.

### 12.3.

Invoicing, reports, notifications and other communication between WeeZtix and the Organiser shall take place digitally, through email and/or publication on a secure or unsecured section of the WeeZtix website.

### 12.4.

When an Organiser requests WeeZtix to provide support in setting up marketing tracking (such as pixel or server-side tracking), WeeZtix charges a fee of EUR 55.00 per hour. This support includes correctly configuring marketing tracking in the ticket shop, enabling the Organiser to make optimal use of marketing data and insights.

## 13. Termination

### 13.1.

Weeztix is entitled to terminate the Agreement with immediate effect if Weeztix reasonably believes that it cannot carry out the order in accordance with the instructions given by the Organiser and the Organiser nonetheless maintains to those instructions, or if Weeztix reasonably believes that the Agreement can no longer be performed in accordance with the original arrangements and the Organiser nonetheless maintains to those arrangements, or for any other compelling reasons, without Weeztix being obliged to pay any penalty or compensation.

### 13.2.

In the event of termination under Article 13.1, Weeztix shall be entitled to claim compensation for:

- the expenses already incurred,
- the Services,
- the expenses that Weeztix will have to incur in the 6 months following termination, including but not limited to the costs of certain spaces or services of third parties et cetera, which Weeztix could not reasonably have prevented in full or could not have cancelled free of charge.

### 13.3.

Without prejudice to any other rights Weeztix may have (including performance and/or compensation and/or reimbursement of wages/expenses), Weeztix shall be entitled to fully or partially terminate the Agreement or to suspend its obligations under the Agreement or any other agreement with the Organiser, with immediate effect and without court intervention, if:

- The Organiser violates any provision of the Agreement and/or these general terms and conditions and fails to remedy this breach within 7 days after written notice of default of Weeztix;
- upon written notice being given by Weeztix if the Organiser commits any irremediable breach of the Agreement;
- The Organiser applies for a moratorium or is granted a (temporary) moratorium;
- The bankruptcy of the Organiser has been filed, or the court has declared the Organiser's bankruptcy;
- The business of the Organiser is liquidated;
- The Organiser offers a settlement to its creditors;
- A prejudgment or execution attachment is levied on a substantial part of the business assets of the Organiser; or
- The business of the Organiser or a substantial part thereof has been sold to a third party.
- The Organiser fails to complete the required KYC checks, or the applicable Payment Service Provider (e.g., Adyen, Stripe, Pay.nl) rejects the Organiser's onboarding application or terminates the provision of payment services to the Organiser.

#### 13.4.

If the Agreement is terminated on the basis of Article 13.3 any claim of Weeztix against the Organiser shall be immediately due and payable and Weeztix shall be entitled to compensation for all direct, indirect and consequential damage, including loss of profit, without prejudice to other legal rights to which it is entitled and its other rights under the Agreement and these general terms and conditions, without Weeztix being obliged to pay any compensation or performance.

## 14. Privacy and personal data

### 14.1.

With Article 13, Organiser and Weeztix intend to fulfil their respective obligations under Article 28 of the GDPR.
